14.347 Ordinance Pertaining to Bicycle & Pedestrian Facilities (1st Reading)

Committee Recommendations:

- *With amendments recommended by Transportation and Parking 1/20/2015*
- *With amendments recommended by Planning Board 2/12/15*
- *Without recommendation from the Committee on Rules, Orders, Appointments and Ordinances on 2/18/2015*

Councilor O'Donnell moved to amend the document to reflect the standards outlined in Ms. Misch's presentation; Councilor Adams seconded the motion. The motion was approved on a voice vote of 9 Yes, 0 No.

Councilor Murphy requested that the vote on this ordinance be separated into voting on the bicycle standards and then the sidewalk standards. Councilor Adams seconded the motion.

Senior Planner Carolyn Misch presented information to the Council about the Ordinance.

The proposed Ordinance addresses bicycle and sidewalk standards, which are already required, but are not specific. Ms. Misch reviewed the new requirements as outlined in the standard.

- *Councilor Adams raised a concern that the revised bicycle standards are not based on the needs of Northampton. He thinks the standards are extremely burdensome.*
- *Ms. Misch points out that the standard does have built in an opportunity for project applicants to explain why the standard is not applicable to their project. Applicants would rather know what is required of them in advance of presenting their project, so establishing a standard is more beneficial to applicants. The standards will not apply to Central Business District.*
- *Councilor O'Donnell made the observation that the Ordinance has been reviewed in Transportation and Parking. He has not heard a lot of pushback about the standards.*
- *Councilor Spector stated that higher standard requirements would likely encourage a certain type of behavior.*
- *Councilor Murphy is comfortable with the sidewalk standards, however, he feels that the bicycle standard is a little "over the top". He requested that the Council take separate votes on the Bicycle Standard and the Pedestrian Standard.*
- *Councilor O'Donnell moved to amend the document to reflect the standards outlined in Ms. Misch's presentation; Councilor Adams seconded the motion. The motion was approved on a voice vote of 9 Yes, 0 No.*

Regarding the bicycle portion of the standard, the motion to accept was approved on a Roll Call Vote of 7 Yes, 2 No (Councilors Adams and Murphy)

Regarding the Sidewalk portion of the standard, the motion to accept was approved in first reading on a Roll Call Vote of 9 Yes, 0 No.

ORDINANCE

An Ordinance of the City of Northampton, Massachusetts, providing that the Code of Ordinances City of Northampton, Massachusetts, be amended by revising section 312-102 of said Code; is providing for repealing prohibited parking on New South Street.

15.355 and 15.356 Ordinances Pertaining to Snow Removal from City Sidewalks
(Positive recommendation from the Comm. on Rules, Orders, Appointments and Ordinances as amended)
(1st Reading)

Councilor Adams moved to approve 15.356 in first reading; Councilor O'Donnell seconded the motion.

Councilor O'Donnell moved to take both Ordinances as a group; Councilor LaBarge seconded the motion.

Council Adams points out that the property owner is responsible for removal of snow.

Councilor Dwight indicated that the Ordinances provide flexibility to enforce; violations are no longer criminal citations. Mayor Narkewicz indicated that there will be a mechanism to track when a non-criminal ticket is issued.

Some discretion will be necessary on the part of the enforcing agent; issues such as problems with drainage will need to be taken into consideration.

Councilor Carney points out that a majority of property owners would be in violation of the new Ordinances if applied today. Most residents don't clear snow / ice to the full width of the sidewalk.

Councilor O'Donnell indicated that the standard was changed in the Committee

on ROAO to propose fines for each snow event, however, the committee thought that the standard should be debated on the Council floor.

Councilor Spector moved to amend the fine schedule so that the first time a non-compliance is issued, that it is a warning with no monetary fine; Councilor O'Donnell seconded the motion.

Councilor LaBarge suggested that the changes to the Ordinance can be communicated to citizens via the Annual City Census.

Councilor O'Donnell moved to amend 15.355 to strike out "same event" and replace with "per season". Mayor Narkewicz offered "Fiscal Year" vs. "per season". Councilor Sciarra seconded the motion. The motion was approved on a voice vote of 9 Yes, 0 No.

Councilor Adams moved to change 15.356 to change the time requirement in the Central Business District to 9:30 am. Councilor Spector seconded the motion. The motion failed on a Roll Call Vote of 4 Yes, 5 No (Councilors Carney, Klein, LaBarge, O'Donnell & Sciarra).

Councilor Sciarra indicated that there are safety concerns with a later time.

Councilor O'Donnell moved to change 15.355 to strike the \$250 fine and reflect a \$100 max fine. Councilor Sciarra seconded the motion. The motion failed on a Roll Call Vote of 1 Yes, 8 No (Councilors Adams, Carney, Dwight, Klein, LaBarge, Murphy, Sciarra, & Spector).
